Re: FOIA Request NLRB-2023-001237

Dear Jason Hardwick (International Association of Machinists and Aerospace Workers):

This is in response to your request, under the Freedom of Information Act (FOIA), 5 U.S.C. § 552, received on April 10, 2023, in which you seek the "Certification of Representative" for *Lockheed Martin Corporation d/b/a Lockheed Martin Rotary and Mission Systems*, Case No. 28-RC-243786. You assumed fees for the processing of your request in the amount of \$10.00.

We acknowledged your request on April 10, 2023.

A search of the Agency's electronic casehandling system, NxGen, has been conducted. This search located the requested record, which is attached. No information has been withheld. Your request is, therefore, granted in full.

For the purpose of assessing fees, we have placed you in Category A, commercial use requester. This category refers to requests "from or on behalf of a person who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made, which can include furthering those interests through litigation." NLRB Rules and Regulations, 29 C.F.R. § 102.117(d)(1)(v). Consistent with this fee category, you "will be assessed charges to recover the full direct costs of searching for, reviewing for release, and duplicating the records sought." 29 C.F.R. § 102.117(d)(2)(ii)(A). Charges are \$9.25 per quarter-hour of professional time. 29 C.F.R. § 102.117(d)(2)(i).

Fifteen minutes of professional time was expended in searching for and reviewing for release the requested material. Accordingly, please remit \$9.25.
